Product Description

Now you can play the exciting reality TV hit THE TRAITORS as a board game at home! Players take on the role of the contestants and work together on exciting missions to increase the pot of gold. Who is behaving strangely? This is always discussed and voted on at the round table, as there are traitors among the loyalists. But be careful: if you get on their trail, you are no longer safe at night! Teamwork counts in this game, even if you can't really trust anyone. An exciting finale will show who has played the best and will share the prize or take it for themselves!- Number of players: 4-6- Age: 12+- Playing time: 60-120 minutes- German instructions
