### Product Description

Discover the ultimate driving fun with the RC SUV Urban Rider! With the RC SUV Urban Rider from Revell Control, you can experience adventurous action and master obstacles with ease - even in the tightest of spaces! This impressive vehicle will inspire you with its powerful electric motor and precise, handy 2CH MHz remote control. Whether indoors or outdoors, the RC SUV Urban Rider takes on any challenge. The unusual design and chunky tyres give this SUV a robust look that emphasises its compactness. In addition, ram bars and high-quality workmanship ensure a long service life and withstand even the most demanding rides. And the best thing about it? The RC SUV Urban Rider is available in four different models, so you can choose exactly the style that suits you! With the integrated LED underbody lighting, the RC SUV Urban Rider not only looks spectacular during the day, but also in the dark. Experience exciting night-time races and fascinate your friends with this cool feature. The RC SUV Urban Rider is perfect for beginners who want to take their first steps in the world of RC vehicles. With its easy handling and stable construction, it is the ideal companion for young adventurers aged 6 and over. But experienced RC fans will also enjoy this powerful SUV, as it offers maximum control and driving fun. The scope of delivery includes the RC SUV Urban Rider, the remote control and the required batteries, so you can get started right away. We also offer exclusive bonus content to make your driving experience even more exciting. Bring the racer in you to life and get the RC SUV Urban Rider from Revell Control - the ultimate RC vehicle for action-packed fun and adventure! Age recommendation 6 Scale 1:43
