Product Description

Discover the adventure with the RC Car Destroyer XS in crawler design! The 1:18 scale RC Car Destroyer XS is the ultimate vehicle for all adventure seekers. With its realistic and detailed design, it attracts attention and provides plenty of fun and action. The Destroyer XS is perfect for beginners, but advanced drivers will also enjoy it. With its large tyres and precise steering, it masters any terrain effortlessly. Whether indoors or outdoors, with this RC car you are always ready for new paths and exciting driving manoeuvres. The 2.4 GHz remote control technology allows several friends to set off at the same time and experience the adventure together. With a top speed of 10 km/h, the Destroyer XS offers the perfect balance between speed and control. A special highlight of the Destroyer XS are the LED headlights, which ensure an unforgettable driving experience even in the dark. So you can organise exciting night races and put your driving skills to the test. The Destroyer XS comes with a 2CH-GHz remote control and instructions so you can get started straight away. No long waiting, just instant driving fun! The RC Car Destroyer XS is the ideal gift for children aged 8 and over who have a passion for remote-controlled vehicles. Whether you already have experience or are just starting out in the world of RC driving, the Destroyer XS offers an exciting driving experience and hours of fun. Discover the adventure with the RC Car Destroyer XS and experience unforgettable moments full of action and fun! Order today and immerse yourself in the exciting world of RC driving!
