Product Description

Aston Martin Vantage 1:24 remote-controlled model car - The consummate predator
The Aston Martin Vantage, a true sports car jewel, is described by Aston Martin itself as "The consummate predator". And now you can experience this extraordinary vehicle in the form of a remote-controlled model car from Revell Control. Immerse yourself in the world of agility, dynamics and aesthetic perfection of this legendary vehicle. Measuring 206 mm long, 82 mm wide and 56 mm high in 1:24 scale, this model impresses with highly detailed parts and a realistic design. The wide rear, which stands for agility and dynamism, as well as the striking, extra-slim rear lights are lovingly reproduced and make the model a real eye-catcher. The elegant anthracite matt colouring gives this model car an additional touch of elegance. Whether you drive it in your living room at home or in the office, it is sure to attract everyone's attention. With 2.4 GHz technology, this model offers racing without compromise. The remote control allows both right- and left-handed drivers to control the vehicle precisely and perform breathtaking manoeuvres. The frequency ensures a stable connection and prevents interference from other vehicles in the vicinity. The Aston Martin Vantage is powered by 5x 1.5V AA batteries, which are not included. Please note that you will need to purchase these separately to get the car ready to go straight away. The scope of delivery includes the model car itself, a 2CH-GHz transmitter for precise control and detailed instructions to help you get the most out of your remote-controlled Aston Martin Vantage. This model car is suitable for all motorsport enthusiasts and lovers of Aston Martin. Whether you're a beginner just starting out in the world of remote-controlled cars or an experienced driver looking for the ultimate model, the Aston Martin Vantage from Revell Control will inspire you. Experience the combination of exceptional aesthetics, precision and technical sophistication with this remote-controlled model car. Show off your driving skills, feel the power and experience the thrill of driving the Aston Martin Vantage. Order today and awaken your predatory instincts! Width: 8.2 cm Length: 20.6 cm Height: 5.6 cm Item number 24658 Age recommendation 8 Scale 1:24
