## Product Description

Revell Control RC Truggy VW Amarok: 100% premium, electric driving fun for adventurers aged 8 and over!The RC Truggy VW Amarok from Revell Control is the perfect combination of power, premium quality and electrifying driving fun. With its detailed replica of the VW Amarok, this remote-controlled truck not only impresses with its realistic design, but also with its outstanding performance features. With a length of 210 mm, a width of 140 mm and a height of 95 mm, the RC Truggy VW Amarok is perfectly dimensioned to excel both on tarmac and off-road. The large rubber tyres offer optimum traction and enable precise manoeuvres, while the powerful drive ensures that you are always at the forefront. The included 2.4 GHz remote control ensures a stable connection and makes it easy to control the vehicle. This means you can easily organise races with friends or experience exciting off-road adventures. The integrated 500 mAh Li-Ion battery ensures a long driving time and can be conveniently recharged using the USB charger supplied. If you want to enjoy the driving fun even longer, you have the option of purchasing an additional battery separately. Scope of delivery:- 1 x model of the RC Truggy VW Amarok. 1 x manualThe RC Truggy VW Amarok is designed for adventurers aged 8 and over. Whether you are a beginner in the world of remote-controlled vehicles or already have advanced experience, this product offers exciting possibilities for all age groups. Whether you want to organise action-packed races on the road or let off steam in challenging terrain, the RC Truggy VW Amarok is always at your side. The RC Truggy VW Amarok impresses with its high-quality workmanship and the detailed design of the popular VW Amarok. The vehicle has a robust design that can handle tough off-road use with ease. The 2.4 GHz remote control enables precise control and lets you master the vehicle with ease. The integrated 500 mAh Li-Ion battery ensures a long driving time and can be conveniently charged using the USB charger supplied. There is also
