Product Description

The small GHz quadcopter Fizz is perfect for flying around the home and office thanks to its small size and sturdy rotor protection rings. With three different speed levels and headless mode, it is ideal for beginners aged 8 and over as well as for experienced pilots. The flip function ensures cool rollovers in the smallest of spaces, but the agile Fizz also cuts a fine figure when flying outdoors. 3 x 1.5V AAA batteries required / not included. Scope of delivery: 1 x model, 1 x 4CH-GHz transmitter, 1 x USB charger, 1 x battery, 1 x spare rotor set, 1 x instructions. Age recommendation 8.
