Product Description

D & D: Vaults & Catacombs - A Guide for Young Adventurers, Handbook (DE Edition)

Explore the magical worlds of D&D.

In your hands you hold a unique guide to the vaults and death traps from the worlds of the world's most popular role-playing game, Dungeons & Dragons. Here you will find not only many new illustrations, but also deep insights from experts on the game. Vaults & Catacombs highlights the dark and ominous areas of the game's most notorious locations - from castles, crypts and fortresses to labyrinths and ships, and the creatures that lurk there. If you're eager to create your own D&D adventures, this guide is the perfect introduction to the worlds of fantasy and epic stories.

Caution! Not suitable for children under 36 months.
