from **21,60 EUR**

Item no.: 335290  
shipping weight: 0.80 kg  
Manufacturer: Ulisses Spiele

### Product Description

Earthdawn game leader screen (DE)

This game leader screen contains numerous tables on four upright elements, with which you always have useful and often required rules at hand.

The accompanying booklet contains all the important overviews with weapons, armor, shields and various items of equipment as well as accommodation, services, clothing and more.

The two maps included show the entire Barsaive region - once with all known ones Locations, once without.

Warning! Not suitable for children under 36 months.
