Product Description

Starfinder - Alienarchiv Aufstellersammlung (DE)

This display collection contains a horde of friends and enemies to make the Starfinder role-playing game or any other tabletop RPG on floor plans three-dimensional To bring life to life!

Each stand carries a colored picture of a character or an extra-golar creature on sturdy cardboard to represent player characters and opponents. There are also over a dozen spaceship stands for use with the Starfinder space combat system.

Each stand fits into one of the plastic feet of the base package or the Pathfinder stand-up monster manual box, depending on its size, so that it is not a problem to use these stands with traditional metal or plastic miniatures. All stands are numbered. - Bring the graphic works of art of the Starfinder role-playing game onto the gaming table.

Warning!Not suitable for children under 36 months.
