Product Description

Starfinder - Flip-Mat: Hospital (DE)

Whether the heroes want to implant cybernetic extensions in their bodies, are looking for a place to recover from severe wounds, or looking for the source of an otherworldly plague, not every game master wants to spend time drawing every single nurse's room and operating room. Fortunately, with the latest Starfinder flip mat, you don't need to!

This range of game mats offers ready-to-use science fantasy sets for the busy game master. This double-sided card shows a futuristic high-tech medical center on one side and an eerie, abandoned infirmary on the other.

Don't waste time sketching when you can play. With the Starfinder Flip-Mat: Hospital you'll be ready the next time your players need medical treatment for their injuries!

Warning! Not for children under Suitable for 36 months.
