Product Description

Starfinder - Status Cards (DE)

With these status cards, game masters and players have all the rules for the most frequently occurring conditions at hand. Simply hand over the card for your condition to a player without having to scroll wildly through the rules.

Has the technomancer made himself invisible? Did the extra-Golarian paralyze your soldier with his poison? Whether blind, bleeding, panicked or confused, the cards contain all the necessary rules!

Warning! Not suitable for children under 36 months.
