Product Description

Pathfinder - Handbook: Legacy of the Beasts, paperback (DE), 32 pages

Anthropomorphic animal races have been part of fantasy for decades and this handbook contains all the necessary tools to help relatives to portray some of the most typical animal races in the Pathfinder RPG. Here you will find character options for representatives of all classes, as well as some that members of other races can choose.

This volume contains:

- New archetypes such as the Tengu unlucky witch, the Feline Happiness Shaman, the Grippli War Painter and the Vanara Happiness Seeker.
- Exciting new talents to accentuate the innate abilities of the animal-blooded races, such as the swarming ability of the ratfolk and the shape-shifting tricks of the kitsunes.
- Dozens of new spells, alternative racial traits and preferred class bonuses to customize characters of all kinds.

Warning!Not for children under Suitable for 36 months.
