## Product Description

Pathfinder - Handbook: Legacy of the Wilderness (DE), 32 pages

Use the unstoppable power and life-giving power of nature! The Pathfinder Handbook: Legacy of the Wild gives new options to characters who live in harmony with their environment. Learn the magical secrets of the wilderness, tame wild allies and let the awesome destructive power of nature and its elements flow through you, from the deadly force of a flash flood to the inferno of a forest fire.

This volume contains:

- Options for the shape-shifter, including new animal aspects, talents for enhancing his animal forms, and archetypes with which he can harness the fury of a dragon or the power of the fairies.
- Racial traits, talents and archetypes for Rankenlesniks, Gathlainer and Ghorani that allow them to deepen their innate connection with nature.
- New options for characters who draw their inspiration from nature, from witches to magic from wildflowers to pact magicians and spiritualists working with Kamis.

Warning! Not suitable for children under 36 months.
