Product Description

Pathfinder 2 - pursuit cards (DE), 55 cards

"Run for your life! Regardless of whether you are the hunter or the hunted, the pursuit cards ensure an exciting pursuit. Each of the illustrated cards in this set of cards contains an obstacle to overcome, including death traps, angry bears or lavish folk festivals, plus the full rules for chases in the streets of cities, vaulted tunnels and almost pathless wilderness. Don't stay standing in the dust cloud of the others when the adventure calls!"

Author Logan Bonner. Illustrator: Riccardo Rullo
