Product Description

Pathfinder 2 - Age dVO: Peoples & Power groups, bound (DE), 136 pages

The life of an adventurer can be difficult and dangerous, but long journeys and a heavy burden are easier to endure in company. This compendium presents people and organizations that could help your character or put big obstacles in his way!

Races and power groups contains new origins and talents for the lineages found in the basic rules, as well as three completely new lineages for unusual heroes who want to make a place for themselves in an uncertain age. Join one of the five most influential golar organizations, fight alongside their members you will find in this volume, or compete against them should they stand in the way of your goals!
