Product Description

Pathfinder 2 - Character Sheet Additional Pack (DE)

Bring your character to a new level with this additional rules character pack! This product contains reference pages for things like actions, activities and actions, the most important states and rules of death and dying.

16 sheets also help to track the progress of characters and campaigns, including specialized, colored character sheets for the four classes presented in the additional rules, in which class characteristics and special actions are already entered, as well as sheets for bad fighters, Mystic spells and curses and blank character sheets, an alternative sheet with a simplified design and extensive sheets for keeping track of the character inventory, campaign notes, adventure diaries, NPCs, spells, animal companions and alchemy recipes.

Warning !Not suitable for children under 36 months.
