Product Description

DSA Adventure - Trapped in the Queen's Crypt, paperback (DE), 64 pages, 2nd revised edition

Greed. Curiosity. Hope. Thirst for action. The reasons that led you to this long-forgotten grave may have been many, but now your lot is the same: you are trapped. The way out is blocked, the air becomes scarce, the narrowness oppressive. Rotten skeletons give you the oppressive feeling that you are not the first to have to pay dearly for your daring here. How did it come to this? When you set out for the liberated Tobrien, none of you suspected the great danger you would run into. It was strange relics of a lost culture that put you on the trail of an ancient secret. You had to dive deep into the underworld to trace these artifacts back to the place where resourceful grave robbers had captured them. And you were sure: there is more. To see more, to discover more, to get more.

But now you yourself are trapped in the queen's tomb. You only have one chance: pass the challenges of the tomb! Overcome murderous traps, solve ancient puzzles and overcome angry warrior mummies - otherwise your time on Dere will soon be over.

Warning! Not suitable for children under 36 months.
