Product Description

DSA - Aventurian Almanac, Softcover (DE), 264 pages, 2nd revised edition

Discover Aventuria in all its diversity! The Aventurian Almanac takes you into the world of the black eye, and offers on 264 full-color pages an overview of the fantastic continent Aventuria, the home of the fantasy role-playing game The Black Eye.

This world description forms the basis for your Play on Aventurias and is aimed at gamers and masters alike. In the region overview you can find out everything about the different Aventurian countries and their customs. Read about the icy glaciers of the far north, the home of the elves in the evergreen salamander stones and the enormous dimensions of the feudal middle realm. Discover the vastness of the Khm desert, the perils of the lizard swamps, the bings of the dwarf tribes or the steaming jungles of Meridianas. In addition to descriptions of the most important cities and regions and their inhabitants, you can look forward to excursions into the Aventurian flora and fauna with ready-to-play values ??for selected creatures and plants, interesting facts about trade and change, law and order, as well as sorcery and the work of the gods. But also famous personalities, the history of the continent and mysteries reserved especially for the master are included in the Aventurian Almanac.

Warning!Not suitable for children under 36 months.

The set of rules is required!
