Product Description

DSA - Aventurian Compendium 2, Hardcover (DE), 240 pages

Aventuria is a continent full of dangers and challenges that demand all of their martial arts and ingenuity from a group of heroes.

With the Aventurian Compendium II you are holding a rule expansion tape for DSA5 in your hands that opens up new options for combat and talent use. Numerous new unarmed and armed fighting styles expand the heroes' possibilities. Whether with the bloody style of the Fasar blood pits, the elegance of an Elburian balayan master or the devious attacks of the agents of the hand of Boron - in the Aventurian Compendium II you will find the right style for your adventurer.

But not only Warriors and journeyman swords get their money's worth, all other hero types can also benefit from the expansion rules contained in this volume. The compendium contains numerous new focus rules: From surgery and dressing to hostage-taking, study times and contact persons, you will find a whole range of useful focus rules for the game.

The Aventurian Compendium II also contains a large collection of new special skills and Talent styles. With these new styles, profane heroes such as strays, healers and craftsmen can now also be more specialized and equipped with new skills.

In addition, you can again create your heroes from a variety of professions or from some archetypes a ready-to-play one Select heroine.

Warning! Not suitable for children under 36 months.

The set of rules is required!
