Product Description

DSA5 - Master umbrella: Catacombs & Ruins (DE), 48 pages

No more tedious leafing through old folios! The DSA5 Master Umbrella Catacombs & Ruins contains all the important tables that will assist the master in leading an adventure. On the total of four inside pages of the umbrella, important information about the use of talent, combat, magic, the work of gods and the exploration of dark vaults are clearly summarized, so that laborious searching in books is a thing of the past.

On top of that, the master umbrella contains a 48-page umbrella Catacombs & Ruins with new focus rules for lighting and light sources including new special skills on the subject of orientation underground. With new equipment, your heroes can arm themselves against the dangers that await fearless adventurers in underground facilities. New creatures, information about different types of traps and lots of tips for playing in Catacombs & Ruins provide an exciting atmosphere for grave robbers and cave explorers at the gaming table.

All locations and their inhabitants are described in detail, and each of the four locations has a colored map so that you can use it directly in the game. Warning! Not suitable for children under 36 months.

The set of rules is required!

There are also four exemplary adventure locations of various kinds presented:

- An abandoned dwarf mine
- The grave of a priest from bygone days
- A miraculous one natural cave system
- A section of the sewer system of a larger city
