### Product Description

DSA5 playing card set - critical defensive successes (DE), 55 cards

The playing card set contains a large selection of different critical successes for defense in close and long-range combat on high-quality cards. The cards can be used as random cards if you play with the appropriate optional and focus rules for critical successes and present dozens of possibilities for outstanding defense.

Warning! Not for children Suitable for under 36 months.

The [set of rules is required!](#)

- Scope: 55 cards
