Product Description

DSA5 Playing Card Set - Critical Offensive Failures (DE), 55 cards

The Playing Card Set Critical Offensive Failures contains a large selection of different critical failures for close and long-range combat. The cards can be used as random cards if you play with the appropriate optional and focus rules for blunders and critical failures and show detailed mishaps during an attack.

Warning! Not for children Suitable for under 36 months.

The set of rules is required!

- Scope: 55 cards
