Product Description

DSA - Armory of the Warring Kingdoms (DE), 32 pages

The eternal dispute between Nostria and Andergast has been smoldering for almost two millennia, which is why they are also known as The Warring Kingdoms calls. Are you looking for a "sword for three hands" for the Andergaster knight or a longbow for the wilderness-savvy Nostrian hunter? The Warring Kingdoms Armory exhibits typical weapons and armor from Nostria & amp; Other guest in words and pictures. Equipment from the region and unique artifacts are also presented with ready-to-play values ??and the associated rules. In addition to special blades such as the hunter's hunter of the Andergaster battle mages or the ritual dagger of the Sumen, common hunting weapons and armaments for knight tournaments are presented. The inhabitants of the Warring Kingdoms are also resourceful craftsmen and also use some everyday objects such as the Nostrian dyke fork as an improvised weapon or convert their harvesting device into the dreaded storm scythe.

In addition to the equipment presented, this volume also includes ready-to-play equipment Descriptions of three typical dealers. Weapons are a rare and extremely expensive commodity in many places, but here your heroes can equip themselves for their next adventure to their hearts' content - as long as the cash lasts.

This volume supplements the regional game aid The Warring Kingdoms with more extensive and general rules for the special objects of the region. Knowledge of the DSA5 rules and the Aventurian Almanac is required.

Warning!Not suitable for children under 36 months.
