### Product Description

DSA - The Witch of Shadow Water - Extension for beginners' box (DE)

Eerie powers are at work in Grafschaft Heldenruz. People are kidnapped by harpies, the orcs prepare for a war campaign and hideous beings emerge from the forests and swamps and spread fear and terror. The citizens of the Heldenruz are sure that only one can be behind these terrible events: the believed dead witch of the shadow water. It takes brave heroes to avert the danger and thwart the plans of the witch of the shadow water. It takes you and your friends!

The extension set The Witch of the Shadow Water is an addition to the beginner's box - The Secret of the Dragon Knight. With this set you can fall back on two new heroes, a witch and a stray, as well as a number of new scenarios and an adventure. The set also contains new rule supplements and a description of Reichsend, the capital of Grafschaft Heldenruz.

Warning! Not suitable for children under 36 months.

The set of rules is required! As well as the beginners box.
