## Product Description

DSA5 Myth: Silence from Somerrisk, Brochure (DE), 32 pages

There is excitement in the dreamlands. Emissaries from various peoples have disappeared and no one knows why. A council of peoples sends a group of heroes to investigate the disappearance. The adventurers come across a gruesome secret in the town of Somerrisk and have to prevent the plans of a great old man. Warning!Not suitable for children under 3 years!

The rules Sandy Petersen's Cthulhu Mythos are required!
