### Product Description

The Phileasson Saga - Silberflamme, Roman (DE), 688 pages, volume 4

The competition between the rival captains Phileasson and Beorn leads the two on the trail this time a hero whose fame has lasted for centuries. But the curse of an old injustice casts its shadow to the present. As the race for the silver flame - a mysterious, high elf artifact - begins, both captains realize that cold steel and warrior courage fail when the spirits of the dead guard the past ...
