Product Description

DSA5 - Aventurian Adventurer 1 - Box (DE)

With Aventurian Adventurer you can choose from a variety of archetypal heroes and start your first adventure immediately. The selection includes classic heroes, such as the elven wilderness runner, the dwarf warrior, the Horasian explorer, the Punin magician and the Zorgan Phex consecrated.

All values ??of a hero are already entered in a hero document, so you neither do To create your adventurer, you still have to take care of transferring it to a hero sheet. Aventurian adventurer is ideal for beginners who want to quickly choose a hero and then start playing right away, and for rounds of games at conventions where you don't want to spend time generating characters. The lovingly illustrated archetypes can also be an incentive for experienced players to try out new hero concepts.

In total, you can choose from 36 profane, magical and clerical archetypes.

Aventurian adventurer contains all archetypes from:

- the DSA5 rules
- the Aventurian Compendium
- Aventurian Magic I
- Aventurian Gods I

Warning!Not suitable for children under 36 months.
