Product Description

DSA5 - Beginner's Box: Magician - Dice & Chipset

The Mage Dice Set contains three twenty-sided and two six-sided dice that you can use to play The Dark Eye. One of the twenty-sided dice is blue, the other two are black or white. The six-sided dice show a magician symbol instead of the number 6.

The set also contains three fate points. With chips, your hero can survive the most dangerous situations in which many others would have met certain death, and it is not uncommon for them to tip the scales when it comes to performing heroic deeds.

Attention! Not suitable for children under 36 months.
