Product Description

DSA Source Books: Tools of the Master III (DE)

Fights can quickly become confusing. With the tools of the Meisters-Box 3, every playgroup can fall back on aids for a better representation of conflicts: With the help of blips, floor plans and templates, the movements of the heroes and their opponents can be easily illustrated and players and masters always have an overview of the positions of the Player characters and those of the opponents.

The tools of the master box 3 includes:

- This box contains blips for all creatures and animals presented in the Aventurian Bestiary II. The blips show inter alia. Ape-men, harpies, giant amoebas, khorams-beasts and a giant sea serpent. The set contains a total of 220 blips.
- To play with blips, the tools in the Meisters-Box 2 also come with a set of useful floor plans. It includes areas with swamps, jungles, taiga, rubble desert, river banks and a ruined castle. The plans are supplied in size DIN A2. - The enclosed die cut sheet contains quest markers that serve as markings on the floor plans.
- A reference list is also included, listing the blips in their original size and presenting them by name.

Attention! Not suitable for children under 36 months. - Game only available in German!
