Product Description

DSA - Meisterschirmset - Straßenstaub & Cutthroat, paperback (DE), 48 pages

No more tedious leafing through old volumes! The DSA5 master umbrella contains all the important tables that support the game masters in leading an adventure. On the total of four inner pages of the screen, important information on the use of talent, combat, magic and the work of the gods is clearly summarized, so that tedious searching in books is a thing of the past. This master umbrella booklet contains trade rules and equipment tables that your heroes can use to prepare for upcoming battles, geographical and cultural information about Aventuria's streets and cities. This leaflet makes the heroes' journey easier, while the players are supported in making both the trip and the stay lively and enriching it with information that is true to the location and the time.

Attention! Not suitable for children under 36 months. - Game only available in German!
