Product Description

The Witcher: The Witcher-Journal - Source book (DE Edition)

Take a peek into the Golden Age of Witchery, when monsters roamed the world and you could barely get from one city to the next without encountering a Cyclops or a Nebling! The journal of the founder of the Witcher School, Erland of Larvik, reveals many new monsters - some of which have not been seen for generations.

The Witcher Journal is a sourcebook for The Witcher tabletop role-playing game, and in it players will find a number of new monsters and interesting hooks for adventures to use in their game, plus new lore and a detailed investigation system.

Attention! Not suitable for children under 36 months.
