Product Description

The Black Cat: Tracks in the Sand - Hero's Quarterly Fasar, Book, 160 pages (DE edition)

The mongoose Altin Scorpion Sniffer is hired by a beguilingly beautiful cat to find the missing Harfi Babur ibn Bey. The blade master of the Al'Shaddai clan has been missing for a while and the Muqatil, warriors of the clan, are getting desperate in their search.

Altin takes on this case, but he was not aware of the situation he would get himself into.

This little novel takes you into the world of The Black Cat and shows you the city of Fasar from the point of view of the Awakened, which can be enriching for players and gamemasters alike.

- Type: Heroes' guide
