Product Description

DSA5 - Master Set Banner of Allegiance (DE Edition)

The Master Set - Banner of Allegiance is a game aid for the adventure volume of the same name and contains a wealth of game material to support you in running the adventure. In addition to a colour map of the Horasian metropolis of Vinsalt in A1 format, it contains further maps and game plans, various handouts in ingame look, master person references and a special edition of the Aventurian Messenger.

The master screen set also includes insert pages for the DSA5 universal game master screen. These show the cover motif of the adventure or contain useful tables for the game, such as encounter tables, overviews of adventure-relevant information and a small glossary of typical Horathi terms.

Attention.

- In addition to the rulebook and the Aventurian Almanac, the adventure volume Banner of Allegiance is required to use this game aid
- The use of the Acrylic Marker Set - Banner of Allegiance is recommended
- For optimal use of the inlay pages, the DSA5 Universal Game Guide Screen is recommended
- Type: Master set
- Language: German
