### Product Description

As you wander the halls and corridors of the Undead Asylum, it can prove to be a lonely and quiet place, dying and uninviting. Here dwells a demon capable of deadly fury, whose mind is still dominated by virulent thoughts. Beware of this enemy. Despite all you will fight against stronger, more cunning and agile opponents, complacency will hasten your end at his hands. Can you triumph over the Asylum Demon, or will your corpse soon be another roaming the Asylum with the Hollowed?
