shipping weight: 1.20 kg

Manufacturer: Steamforged Games

Product Description

Muster your courage, for this unholy tormentor will stop at nothing to prolong the torment of the undead souls in his care. Even if the executioner should fall, you must still face the malevolent steed that pulls the dark chariot - a terrible beast from a forgotten age of barbarism. Will your courage and determination be up to the task of dismantling the evil chariot and destroying this hellish beast?

This expansion includes:

- A fearsome new mega-boss
- New gigantic mega-boss tile
- Deadly new boss behaviours
- Unique new boss treasures
- Two new types of enemies to face in the mega-boss encounter

The Executioner's Chariot expansion is also the first to include level 1 to 4 encounter maps. These encounters allow players to face the expansion's new enemies before they even reach the boss tile. Are you up to the challenge?

Warning: not suitable for children under 36 months!

- Number: for 1-4 players
- Duration: from 90 minutes
- Age: from 14 years
