### Product Description

Compatible with Fifth Edition or any other fantasy role-playing game, Hive of the Ghoul-kin pits players against a horde of flesh-eating fiends before taking on a giant flesh-eating worm in Barrow of the Corpse Crawler.

Each box contains everything players need to experience a truly epic encounter. The sets can be played as a one-off encounter or as part of an existing role-playing campaign. Players can even combine the two sets for a terrifying subterranean campaign against the horrors beneath the earth....
