### Product Description

Choose your champions, assemble your warband and prepare for battle in this fast-paced tabletop combat game for two players. Your goal? The battle for control of the precious Godtears scattered across the land.

Godtear's quick-to-grasp gameplay puts you right into the action, with a range of tactical challenges to explore as you familiarise yourself with the factionless world of The Cradle. Designed to be used with either of the two starter sets, these expansions contain everything a player needs to add a new champion to their warband. Each expansion contains a new champion, their henchmen and banner in highly detailed miniature form, as well as the profile cards for the champion. No assembly required! Godtear is an out-of-the-box experience.

Caution. Not suitable for children under 3 years as small parts may be swallowed. Choking hazard!
