📄 Product Description

Resident Evil™ 2 - The Board Game is a co-operative survival horror board game for 1-4 players set in the award-winning Resident Evil™ universe. Top-notch miniatures and innovative new mechanics help create an experience that captures the essence of the popular video game, where players venture into the zombie-infested streets and buildings of Raccoon City to desperately escape the nightmare!

This packaged game includes:

- 24 highly detailed plastic miniatures
- 26 double-sided game board tiles
- 155 cards
- 4 player health scoreboards
- 11 tracker dials
- 6 dice
- 84 tokens
- 1 rule book
- 1 scenario book

The unique encounter table and tension deck mechanics combined with a full narrative campaign mode ensure that no two playthroughs are the same, creating tremendous replayability that players are sure to love. Resident Evil™ 2: The Board Game is a highly rewarding, fully cooperative battle for survival in Raccoon City. Trying to simply blast your way through the zombie horde won't work in this survival horror experience.Quick and easy to demo and designed to suit new players means fans will love playing Resident Evil™ 2: The Board Game regardless of their skill level or familiarity with board games.

Exciting and unpredictable events across the suspense deck will keep players on the edge of their seats, creating cinematic moments that will have them talking long after the game is over. The fully cooperative gameplay encourages players to work together to progress and help each other survive, creating plenty of excitement around the table. The simple and intuitive mechanics mean that Resident Evil™ 2: The Board Game is an extremely quick game to learn, but will keep players hooked for hours with characterful and exciting gameplay.

- Number of players: 1-4
- Game duration: 60+ minutes
- Age: from 14 years
