## UNA84010 - Fading Suns - Intrigues & Escapades

from **30,29 EUR**

Item no.: 368905  
shipping weight: 0.10 kg  
Manufacturer: Ulisses Spiele

### Product Description

Nobles, priests and merchants constantly vie for supremacy in a myriad of intrigues that inevitably lead to risky escapades - kidnappings, rescues, heists - for troops caught in their webs. Intrigue is a daily routine for nobles, who spend inordinate amounts of time plotting their latest move with panache and style. Priests use the pancreator's grace as a bargaining chip to gain access to wealthy offices, ideological supremacy and even sinecures. And don't discount the merchants: whoever has the gold sets the rules, but whoever handles the gold can demand a hefty service fee. Since the schemes of all these factions often skirt the law, they often set up "Fall Guys" - independent troops - to take charge when things go wrong. Intrigues & Escapades reveals the plotting customs among nobles, priests and merchants, showing how some are raised to scheme from birth, while others learn from hard knocks. Presented are two detailed dramas involving troops in such sordid dealings, along with a variety of drama hooks that gamemasters can develop with their own twists.
