Product Description

Spring is in the air and the Convention of Bards is underway! Musicians, singers and poets from the far corners of Aventuria flock to the city of Norbury. Audiences jostle for the chance to see famous performers and hear tales of the fabled goblin Timbal and legendary artefacts such as the sacred swords of the North, which are said to guarantee victory in battle. Cheerful people fill the streets, but a cloud hangs over the festivities. Far to the south, many Bronnjars march with Empress Rohaja to fight against the traitor Helme Haffax. Only a few troops remain and Bornland is vulnerable. At the height of the celebrations, a surprise attack from the infamous border town of Notmarch claims many lives. The survivors demand justice and a small but determined force prepares for war. March with the Green Train, discover lost secrets of the ancient Order of the Theatre Knights and help the Noble Marshal recruit warriors for a decisive battle against the Mark of the Alliance of Kors! Will you join the ranks of the greatest heroes in Bornish history? The adventure awaits!
