### Product Description

Steam - Under a sky full of flying ships, steam-powered automobiles race through the streets and luxurious steamships cross the seas to foreign continents. Pulp - Treasures and mysteries await discovery deep in the jungles and high on the mountains, villains and mad scientists work on their dark plans. Fantasy - Victorian ladies and gentlemen descended from fantastic races act here and work mysterious magic mixed with brilliant steam technology. WOLSUNG offers easy-to-learn rules that enable action-packed pulp adventure in a fantastic 19th century. A trailer arouses curiosity for a film with the best scenes. This trailer shows the most important rules, including a brief description of the characters and worlds, so you can get straight into a film-ready adventure.
