### Product Description

A new day dawns in Azeroth. A day like every one before it, and every one after. A day of merciless battle for control of the World of Warcraft. Not only is this Small World territory far too crowded for everyone, it is also the scene of the never-ending conflict between the Alliance and Horde factions. Dawn has broken and it's time to take your place on the front lines. Small World of Warcraft is a stand-alone board game set in Blizzard's glorious video game universe, Azeroth. 2-5 players vie for control of multiple islands in this hostile world and their only hope is to choose the right combination of ethnicities and special abilities. After staking your claim to a piece of land, you must defeat your neighbours and expand your territory. If you manage to occupy legendary locations and control powerful magical artefacts, you will reach new levels of domination. But even empires must eventually fall, so be prepared to bring down your over-expanded nation and lead a new one to glory and honour so that you can eventually rule Azeroth. Inside the box- 6 double-sided game boards- 16 World of Warcraft races with matching banners and tokens- 20 badges for special powers- 7 legendary locations & 5 artefacts- 10 mountains, 15 murlocs, 9 wisp walls, 4 harmony tokens, 12 bombs, 1 champion, 10 fortresses, 2 military objectives, 5 beasts & 6 watchtowers- 1 game round track & 1 game round marker- 110 victory coins- 5 summary sheets- 1 reinforcement cube- 1 rulebook- 1 rule sheet for the team variant
