Product Description

RC Monster Truck Shark Next Level - An adventure on wheels with spectacular steam effects! The 1:16 scale Shark Next Level measures an impressive 390 mm in length, 255 mm in width and stands 200 mm high. Its eye-catching appearance with dynamic fins in black, red and yellow is sure to turn heads. But the absolute highlight are the smoking tyres, which create breathtaking steam effects thanks to an integrated vaporiser, making every race an unforgettable event. The truck also has integrated LED lighting that illuminates the road by day and night. The illuminated headlights and tail lights give the vehicle an extra touch of realism. With a speed of up to 15 km/h and a replaceable Li-Ion battery, the Shark Next Level is ready for long and action-packed journeys. Thanks to the USB charger, the battery is quickly ready for use again. Scope of delivery: RC Monster Truck Shark Next Level model, 2.4 GHz remote control, USB charger and charging cable, filler bottle for the vaporiser, operating instructions. The Shark Next Level is ideal for beginners and advanced drivers who love the thrill of speed and spectacular stunts. It can be used both indoors and outdoors, making it a versatile toy for any adventure. Special features: Unique shark design: The Shark Next Level immediately catches the eye with its eye-catching design. Smoking tyres: The integrated vaporizers create spectacular vapour effects that turn every race into a highlight. LED lighting: The headlights and tail lights provide additional realism and fun when driving at night. Powerful: With speeds of up to 15 km/h and a fast-charging battery, the truck offers long-lasting fun. Multiplayer action: Thanks to the 2.4 GHz remote control, several trucks can be controlled simultaneously, perfect for racing with friends and family. Width: 25.5 cm Length: 39 cm Height: 20 cm Item number: 24555 Age recommendation: 8 Scale: 1:16
