Product Description

Revell Control RC Boat Police - Lifelike action and exciting driving fun! The Revell Control RC Boat Police, recommended for children aged 8 and over, promises exciting chases on any body of water. With a length of 345 mm, a width of 100 mm and a height of 111 mm, this fast and manoeuvrable police boat offers a realistic play atmosphere. Thanks to two powerful electric motors and an integrated Li-Ion battery, there is plenty of power and long driving times of up to 15 minutes. The USB charger supplied enables quick and convenient charging. The 2.4 GHz technology allows several players to control their boats at the same time without interfering with each other. An innovative protection circuit prevents the propellers from starting up out of the water, ensuring a high level of safety. The fully encapsulated electronics also protect against water ingress during wild manoeuvres. The design of the RC Boat Police is reminiscent of real police boats, encouraging creative and realistic play. The ergonomic gun remote control ensures fast and agile manoeuvring. Scope of delivery: 1 x RC Boat Police model 1 x 2.4 GHz remote control 1 x USB charging cable 1 x instruction manual Please note: 2 x 1.5V AA batteries, which are not included, are required for operation. Special features: The Revell Control RC Boat Police offers both beginners and advanced players an exciting and realistic driving experience. It is the perfect choice for all young police officers and those who want to become one. Experience exciting water adventures with Revell Control!
