Product Description

At the end of the 14th century, John I honours his vow and has the monastery of Batalha built. The construction period of 150 years is depicted in the game in 5 exciting rounds. In each round, you use your masters and apprentices in the form of dice to secure advantages, resources and privileges. At the end of each round, you build the monastery, which can be seen in its full splendour on the game board at the end of the game. You have help from the royal family in each round, but at the end the king only honours the best master builder. - Simple rules, great depth of play- Innovative dice placement game- Number of players: 2 - 4- Suitable for ages 10 - 99- Playing time: 40 minutes
