## Product Description

Ghost Adventure, board game (DE), for 1-4 players, ages 8+

So far there has been peace in the forest realm. The guardian spirits that live in the statues of the ancestors watch over the small animals that live under the canopy of leaves. But one day wolf warriors armed to the teeth land on the coast. You destroy the statues and capture the guardian spirits. When the terrible spirit of the north appears with its monstrous assistants, the fate of the forest dwellers seems sealed. All hopes now rest on the only guardian spirit who was able to escape: a little ghost mouse with its magical top.

In the cooperative family game Ghost Adventure, players guide a spinning top over several game boards and have to perform tasks on it, to complete missions successfully. For each of the 56 missions, a different route must be completed with the roundabout. The double-sided panels show eight different worlds and a multitude of goals that need to be reached without the top stopping (too often).

Warning! Not suitable for children under 36 months. Legal minimum age: 8
