Product Description

Revell Control Quadcopter Pocket Drone: Compact flying fun in pocket size! Experience the ultimate flying pleasure with the Revell Control Quadcopter Pocket Drone! Despite its compact size of just 110 mm in length, 134 mm in width and 35 mm in height, this drone boasts a wide range of features that will amaze beginners and advanced pilots alike. With a range of up to 40 metres, it offers plenty of scope to explore the surroundings from a bird's eye view. The powerful battery enables an operating time of up to 7 minutes. One of the features is the simple 720p camera, which allows you to transfer basic live images and videos directly to your smartphone. Simply clip it onto the remote control and let the little adventure begin! Scope of delivery: 1x Quadcopter Pocket Drone 1x Remote control with integrated storage compartment 1x Smartphone holder Instructions and other necessary accessories The Revell Control Quadcopter Pocket Drone is the perfect gift for teenagers and adults aged 14 and over. It is suitable for both beginners and advanced drone pilots. Thanks to its light weight of just 59 g and robust construction, it is ideal for exciting indoor flying manoeuvres. But it is also a real eye-catcher outdoors! Special features: Innovative technology: Equipped with an altitude sensor, three speed levels, headless mode and a flip function. Compact and portable: With its foldable design, the drone can be easily transported in the storage compartment of the remote control. Built-in camera: Experience the world from a new perspective with live images and videos that are transmitted directly to your smartphone. Beginner-friendly: Thanks to the practical take-off and landing function, even the most inexperienced pilot can take off in no time. The combination of technical sophistication, high-quality workmanship and an unbeatable price-performance ratio makes the Revell Control Quadcopter Pocket Drone a real innovation in the field of miniature drones. Expand your hobby and experience flying fun like never before! Download App iOS: Download Android: Download
