Product Description

Brotherhood Without Banners Starter Set The Brotherhood Without Banners, a group of outcasts, fights for the inhabitants of Westeros. They are tired of the eternal scheming of the great houses, who instigate wars that have to be fought by the common people - to the bitter death if necessary. The men of the Brotherhood are no longer prepared to put up with this. Under the leadership of the lightning lord Lord Beric Dondarrion and with the support of strong allies such as Thoros of Myr, Ravella Kleinwald and the Spirit of High Heart, the Brotherhood is a powerful army that even the great houses cannot deny. The day of reckoning is near and it remains to be seen whether the reckoning will work out for the mighty when the common people rise up en masse! **Players:** 2 **Age:** 14+ **Minutes:** 45+ **Become commander of the Brotherhood Without Banners and fight for the Iron Throne!** The Brotherhood Without Banners Starter Set brings a total of 54 miniatures into the popular world of the epic tabletop game A Song of Ice and Fire. It comes complete with a rulebook, dice, measuring sticks, stat cards and miniatures to build a full army in the game. Included are characters such as Beric Dondarrion and Thoros of Myr as well as various other iconic units of the Brotherhood Without Banners. The tabletop game A Song of Ice & Fire brings epic battles, political intrigue and the iconic characters from George R. R. Martin's hit novels to the gaming table.
