### Product Description

Maserati Levante S is a version of the top-of-the-range Levante SUV with a powerful 430 hp engine that accelerates from 0 to 100 km/h in 5.2 seconds and reaches a speed of over 260 km/h. Maserati Levante combines the best features of the Italian brand, i.e. unconventional elegance with a performance worthy of a Maserati sports car. The COBI model made of 1/35th scale clamping bricks was produced under licence from the famous Italian car brand Maserati. This is an ideal product for both children and adult car fans. Thanks to specially designed elements that faithfully reflect the shapes of the bodywork and durable, colourful prints, the vehicles created by COBI look like small works of art. The model made of clamping bricks is perfect for playing with and displaying in an adult car fan's collection. Thanks to its solid construction and movable wheels with special rubber tyres, it is also perfect as a toy. - 108 high-quality elements, - manufactured in the EU by a company with over 35 years of tradition, - the building blocks meet the safety standards for children's products, - fully compatible with other brands of clamp building blocks, - bricks with imprints do not deform and do not fade during play or under the influence of temperature, - clear and intuitive building instructions based on drawings and symbols, - issued under the original Maserati licence, - movable wheels allow a lot of fun with the model.
