Product Description

Cold Case Detectives - Crime game: Solve unsolved crimes
 When a murder case cannot be solved, it is called a cold case. As Cold Case Detectives, you take on such cases and solve crimes that have been unsolved for years. This game is designed like a realistic investigation file. View and analyse newspaper articles, evidence, photos, documents, digital materials and much more. Case #2 - Paris, 1967
 Actress Elizabeth West disappears from her hotel room under mysterious circumstances. Dive into the late sixties and find out what happened to Elizabeth West. General Use over 40 realistic documents and objects and work like real investigators to co-operatively find the murderer. With videos, soundtracks, special websites and much more interactive content. Important: you need internet access. The story can only be played once, but the material is not destroyed and can therefore be given away to friends. Important notes: Warning! Not suitable for children under 36 months.
